Professional Development Grant Application

Education Minnesota Foundation for Excellence in Teaching and Learning

Mission: promoting vision, best practice and achievement

Professional Development Grants for Individual Members

Professional Development Grants are intended to provide education support professionals (ESPs*), higher education faculty of colleges and universities, and teachers with opportunities to take the lead in acquiring and sharing new skills and knowledge. These skills might include new instructional tactics, use of technology or working with parents. Applicants may request a grant to acquire these skills and share what you learn with your colleagues.

For higher education faculty applicants, it is suggested that faculty seek in-kind funds to help finance the venture. Recipients of the higher education faculty grant must pay for all grant expenses out-of-pocket, and then submit receipts to the Education Minnesota Foundation for reimbursement.

ESPs and teachers may request up to $1,500, and higher education faculty may request up to $3,000.

Professional Development Grants for Groups of Members

In addition to Professional Development Grants for individual members, the Education Minnesota Foundation also offers applicants the opportunity to submit a Professional Development Grant application for a group of members to either attend professional development or be trained at their worksite. All members named in the group application must fulfill the individual eligibility requirements to be eligible for the group application. Professional Development Grant applications for a group of members have a maximum funding request of $1,500 per person. Group applications may be for up to 2-6 members, and members do not need to be from the same local union or district in order to be funded. Members looking to apply for a Professional Development Grant for groups should designate one group member to be the group lead, and the group lead should collect all required information listed on the application for the other group members.

The Education Minnesota Foundation Board will not fund retroactive learning opportunities that have passed by the date grants will be awarded by, which are listed below.

Professional Development Grants will be awarded twice per school year.

Deadlines: 4 p.m., Nov. 6, 2020 4 p.m., April 2, 2021

Grants awarded by: January 2021 June 2021

Funds to be spent by: August 2021 January 2022

Signed and scanned applications in PDF format can be emailed to foundation@edmn.org. Applicants may also apply online at www.edmnfoundation.org. All applications are reviewed by the Board of Trustees of the Foundation—teachers, education support professionals and higher education faculty who are members of Education Minnesota.

*ESPs include classroom paraprofessionals, clerical staff, bus drivers, etc. who are members of Education Minnesota ESP bargaining units.
Questions to ask yourself before beginning the application process

**Classroom and Education Support Professionals Professional Development**

- Am I an active member of Education Minnesota?
- Will the professional development I am seeking help me improve my job performance?
- Will I be able to participate in the professional development opportunity and share what I learn with my colleagues?

**Higher Education Faculty Professional Development**

- Am I an active member of Education Minnesota?
- Do I have a reasonable expectation of being in a position to manage a project during the next school year?
- Do I have information that leads me to believe that the project I am considering will improve student achievement?
- Does my project idea address the needs of diverse or students at risk of failure?
- Do I have partners with whom I can plan and implement this project?
- Am I willing to share what I learn from this project with other educators?

If you answered "yes" to these questions and you did not request reimbursement of the $5 assessment to the Foundation, you should feel confident that the Foundation will give your project serious consideration.

**Note for applicants from the Education Minnesota Foundation Board**

The Education Minnesota Foundation Board cannot fund applications that request stipends for members' time. Stipends for outside services may be funded. If you have questions about this, please contact Dayonna Knutson at dayonna.knutson@edmn.org.
